*** Denotes Donor Centers accepting autologous and directed collections.**

5.2 Blood Drive Information

Be a part of our community blood program!

To schedule a blood drive or to schedule health fair activities through the Recruitment department

Phone: 903-363-0400 (East Texas)
254-297-4000 (Central Texas)
817-412-5384 (North Texas)

Mobile Blood Drives

If each blood donation saves up to three lives, imagine how many you can save at your own blood drive. Hosting a blood drive gives you the chance to get your whole community involved and make an even bigger impact on the lives of others.

Email us at bookablooddrive@carterbloodcare.org to get started. Our consultants will help you select a date and location for your drive to take place. From there, they will walk you through the entire process, from helping you fill out the right paperwork to tips on how to get more people involved.

For the most up-to-date information regarding hours of operations, driving directions or to schedule a donation appointment, please call 1-800-DONATE-4 or visit our web site at <https://ww2.greatpartners.org/donor/schedules/centers>.

Organizations may schedule blood drives with Carter BloodCare. Blood drives may be operated indoors, if the space meets the specific regulatory requirements or the blood drive may be held in one of our mobile buses.

If you are interested in scheduling a blood drive, one of our field consultants will visit with you to help with all necessary planning and promotion assistance. In addition, they are trained to provide in-services to your staff regarding blood donation.

If you are interested in scheduling a blood drive, please contact our Recruitment department.

5.3 Health Fairs

Carter BloodCare actively supports and participates in community health fairs.

If your organization is planning to host a health fair and would like Carter BloodCare to participate, please call our Recruitment department.
